

Pete the Streetsign's Road Maze

Drinking alcohol makes it harder to do many things, like swimming, riding a bike or playing ball. People who drink and drive cause car wrecks. Never get into a car with a driver who has been drinking alcohol.

Help Pete find the safe way to the party at Donnie's cave.

Secret Cave Drawings

Donnie Dinosaur and his friends have discovered some drawings on the wall of Donnie's cave. To help them break the code and read the message, use the cave drawings below and fill in each blank with the matching letter.

Secret Cave Code:

Brainpower Puzzle

The brain is like a powerful machine that helps us to move, feel and think. When a person drinks alcohol, the brain slows down, making it hard to act, think and make good decisions.

Treat Your Body Right. Say No To ALCOHOL!

Who Can Help?

If you ever feel mixed-up about what is safe for your body and what isn't, talk to a grown-up you trust.

Make a list of grown-ups you can ask for help.

Donnie
Dinosaur

Sidney
the Kidney

Olivia
the Liver

Garbage Grabber Game

Alcohol hurts many parts of the body. When a person drinks alcohol, the liver and kidneys must work extra hard to clean it out of the body.

Help Olivia and Sidney get rid of all the extra letters to find the special message about alcohol.

Cross out all the F's
Cross out all the J's
Cross out all the K's
Cross out all the M's

K A F L C M O H F M O L F I J S M
K B J A K J D J N F E K W M J S

Now use the leftover letters and write them in order in the spaces on the garbage can.

Super Snack Search

Alcohol is found in many different kinds of drinks. Beer, wine, whiskey and wine coolers all contain alcohol. No matter how it looks or tastes, alcohol is a drug that hurts the mind and body.

Milo needs help picking healthy snacks for the party. Color the foods that are good for the body, and put an "X" over the things that can hurt you.
