Drugosaurs!

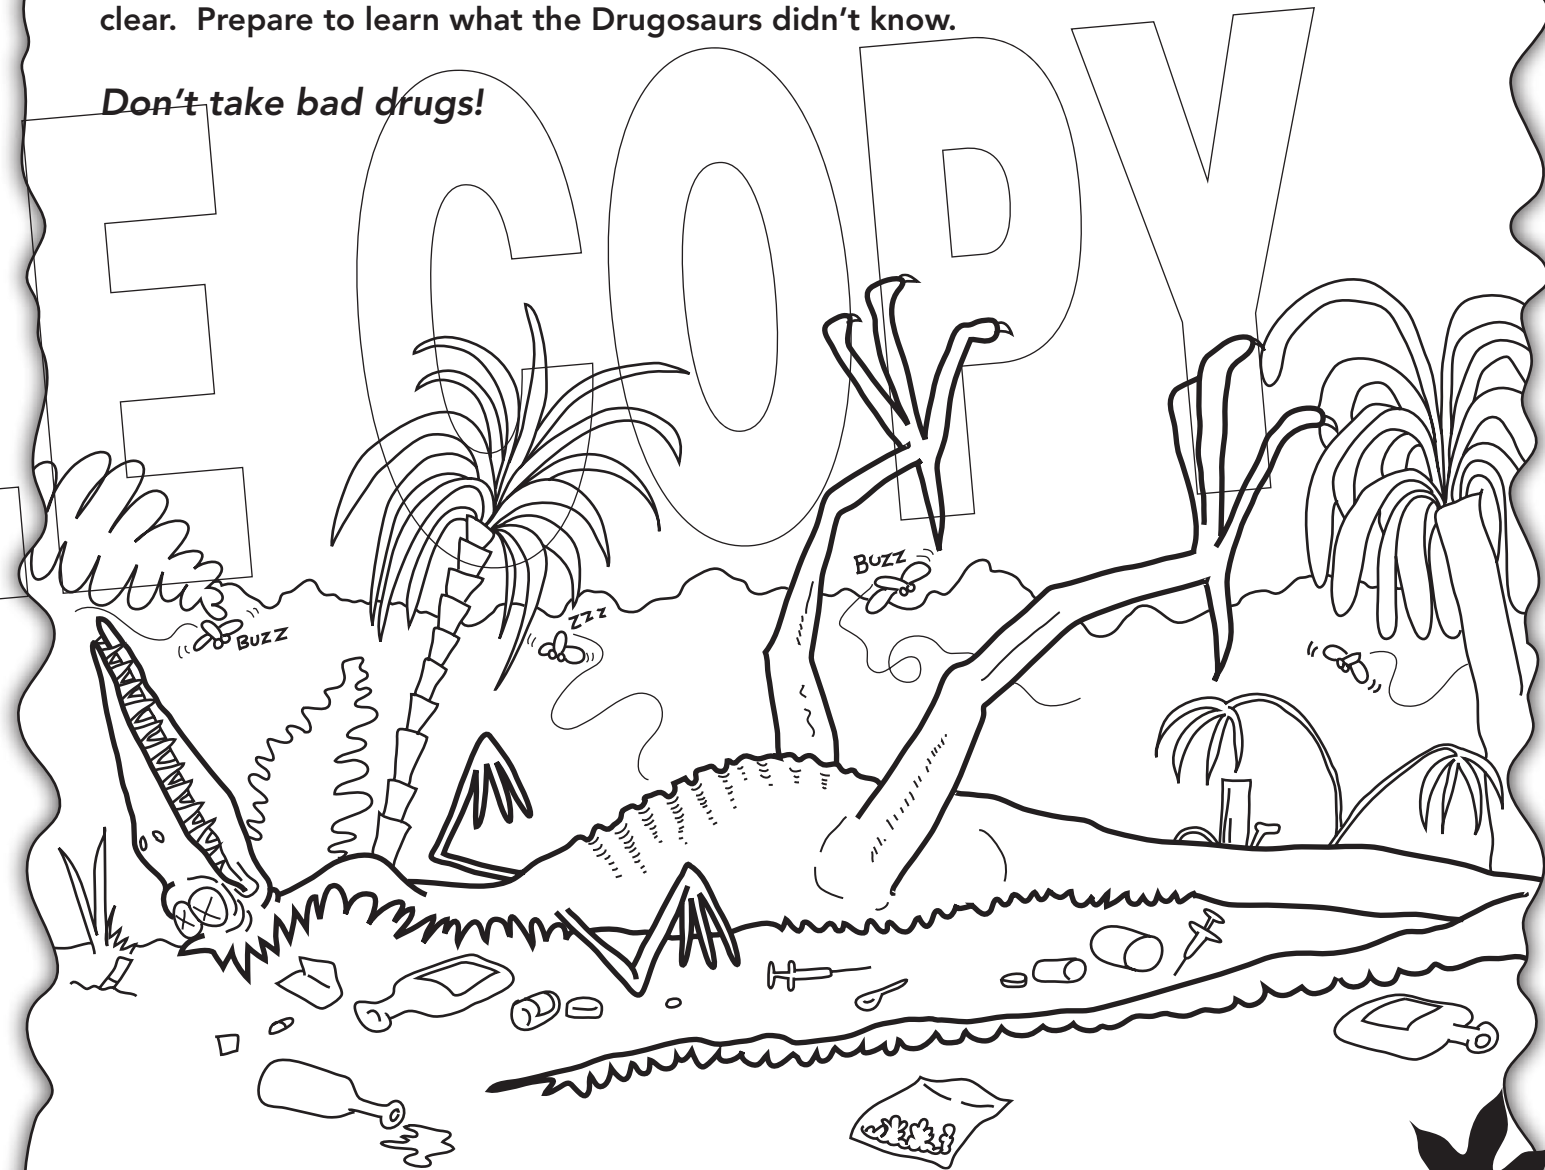

WELCOME TO THE LAND OF THE DRUGOSAURS

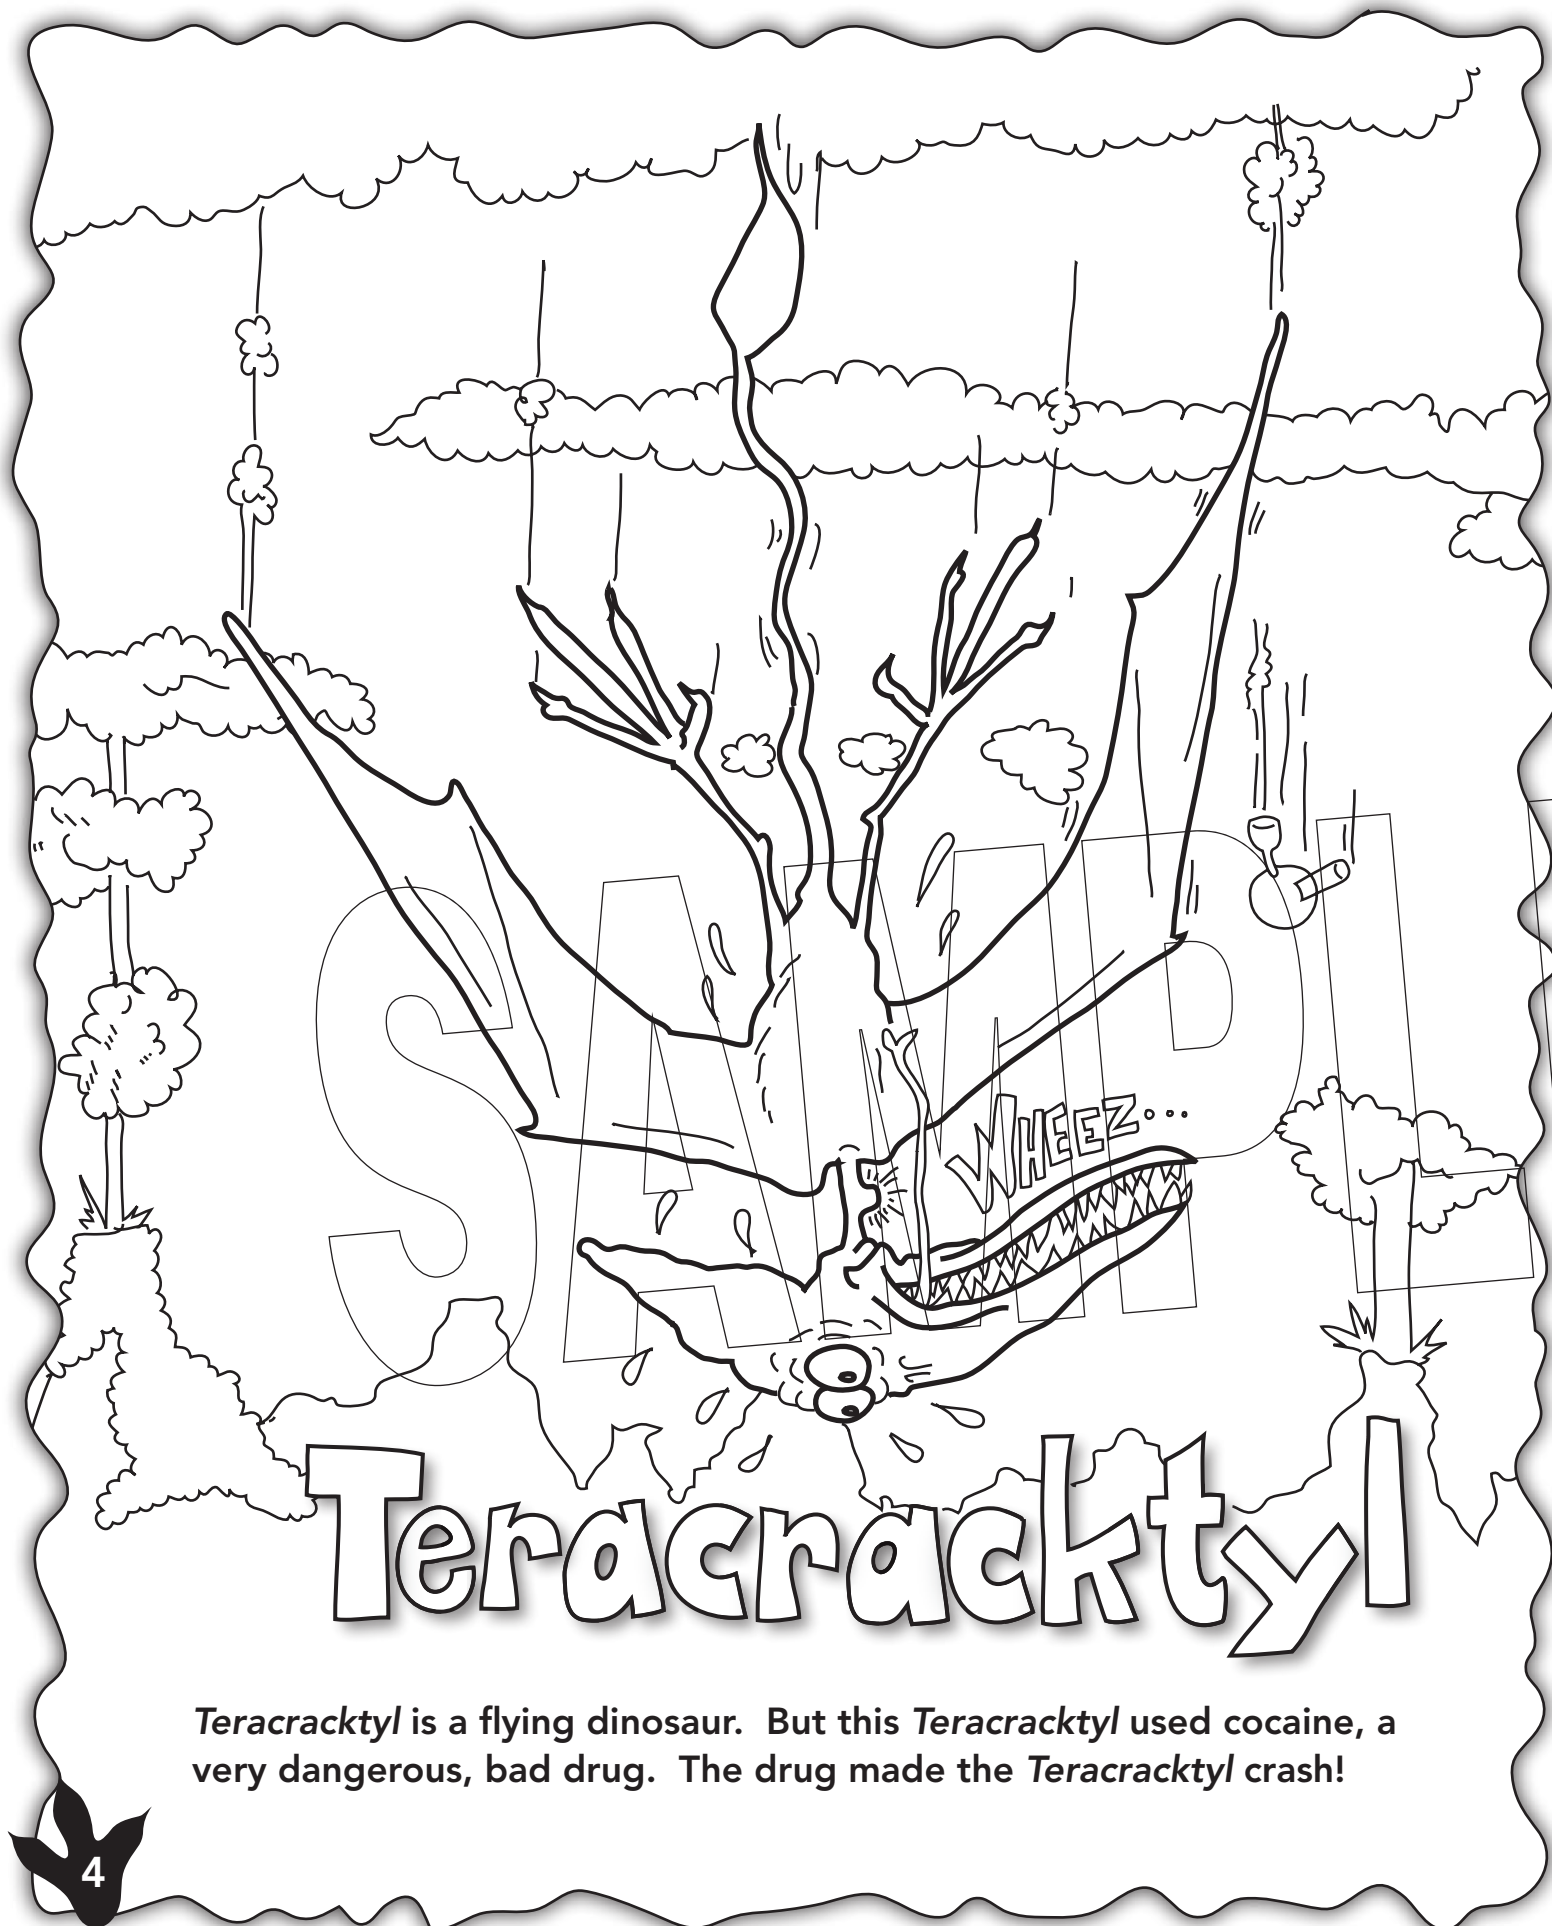

This story is about 10 imaginary creatures called Drugosaurs. You know that the dinosaurs like Tyrannosaurus Rex and Brontosaurus became extinct, but no one knows why.

The Drugosaurs also became extinct, but the Drugosaurs' end is not a mystery. They were very foolish. They thought they could use bad drugs without getting hurt.

Let's meet the Drugosaurs! Take a deep breath; keep your eyes open and your head clear. Prepare to learn what the Drugosaurs didn't know.

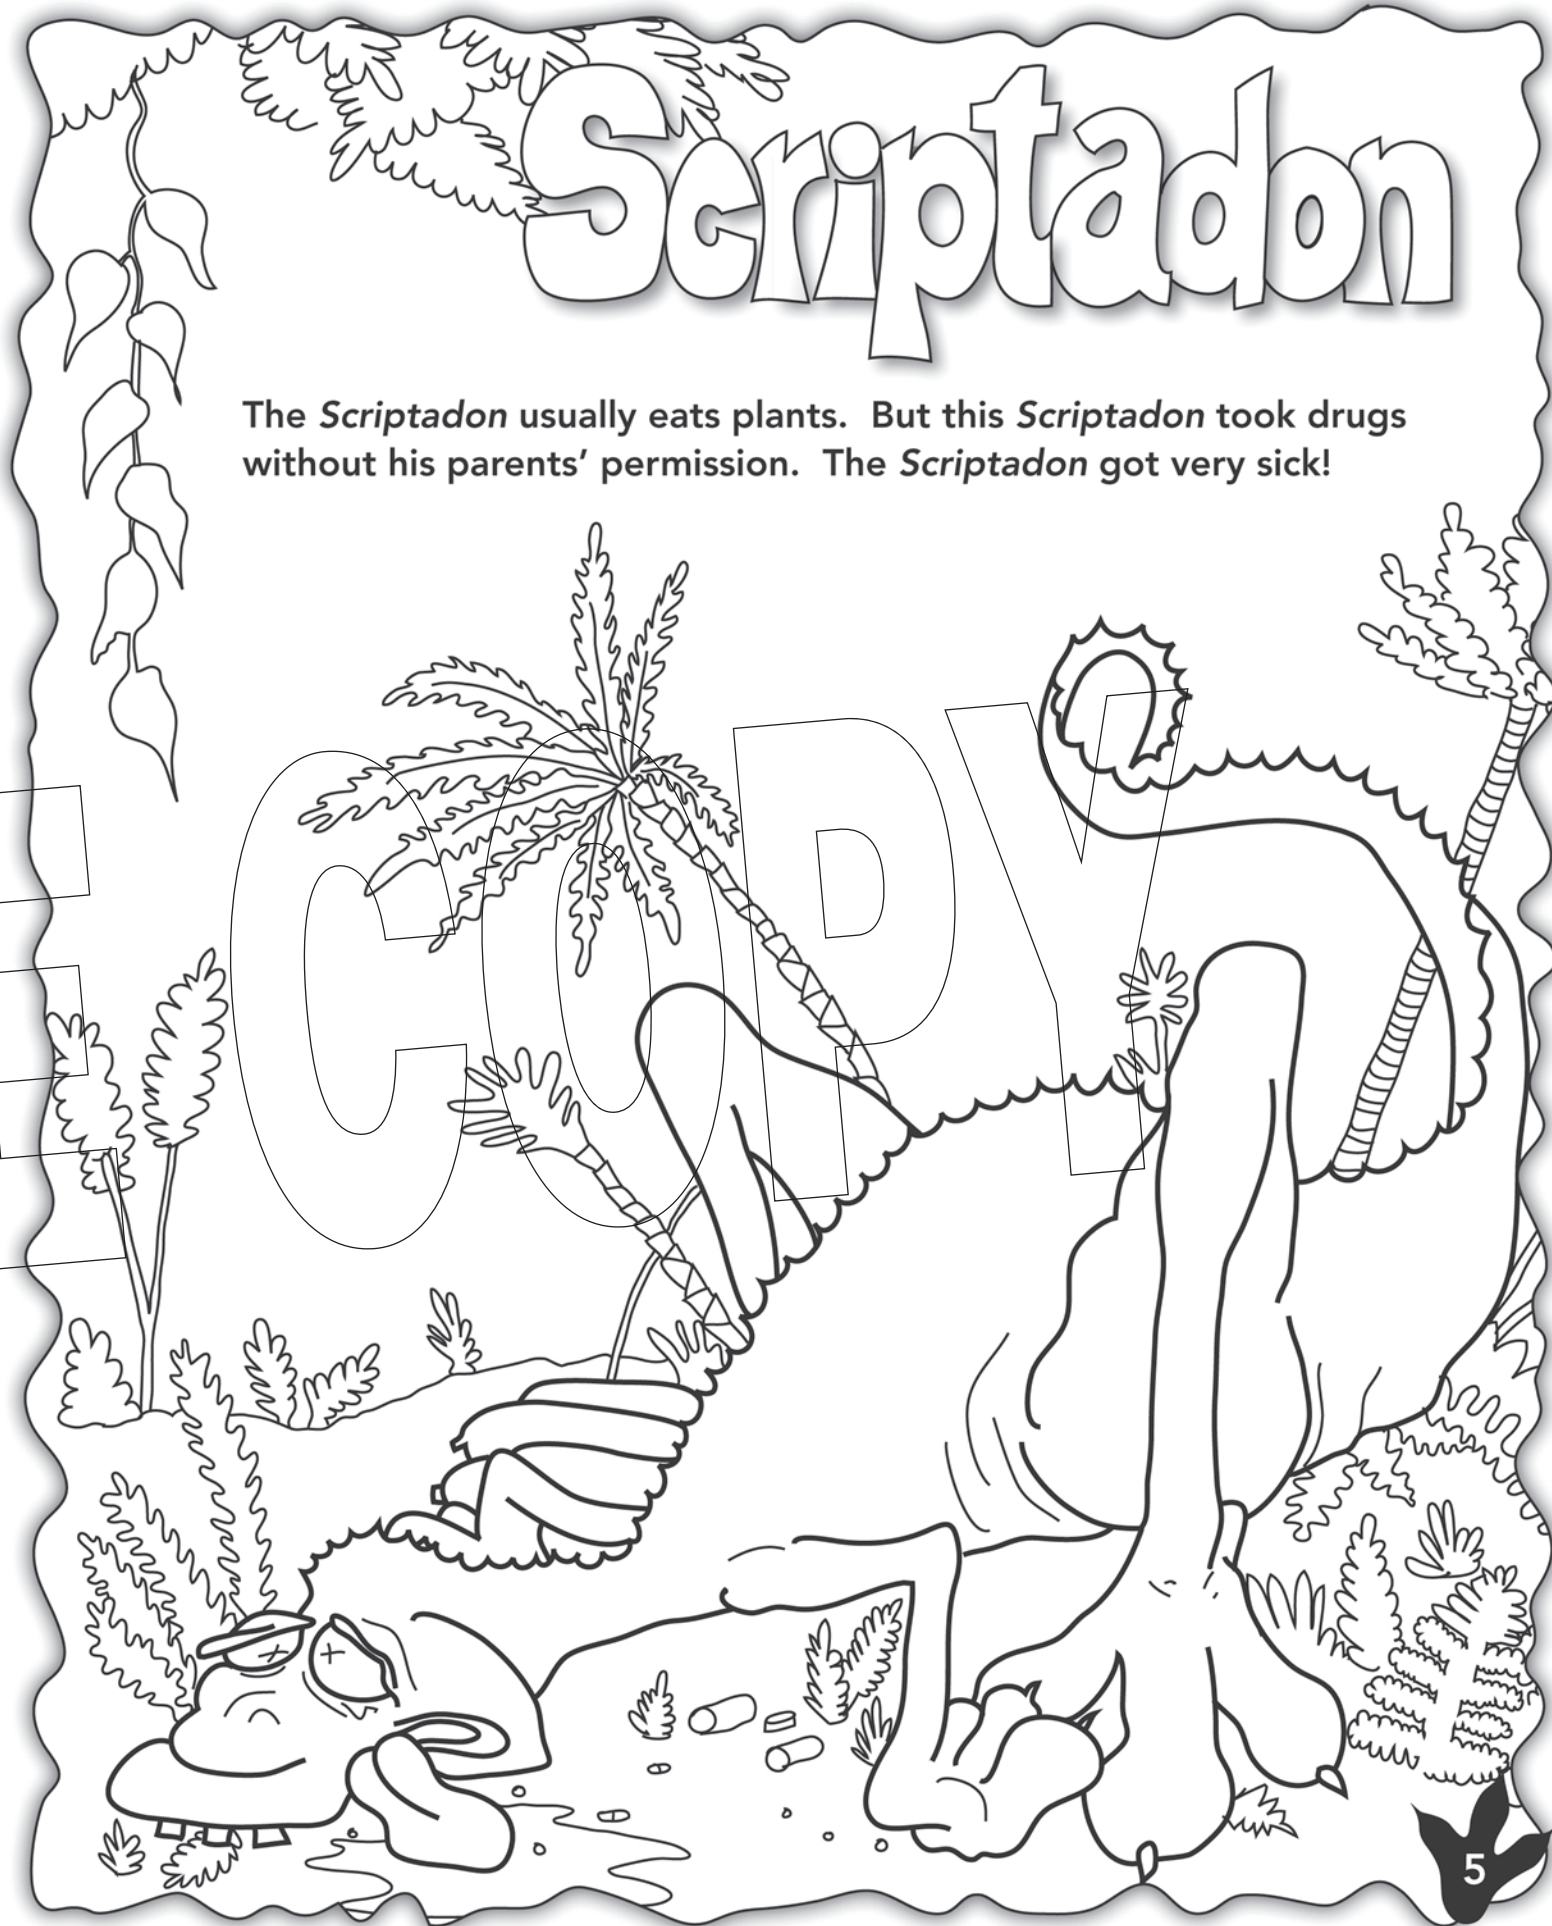

Don't take bad drugs!

Teracracktyl!

Teracracktyl is a flying dinosaur. But this Teracracktyl used cocaine, a very dangerous, bad drug. The drug made the Teracracktyl crash!

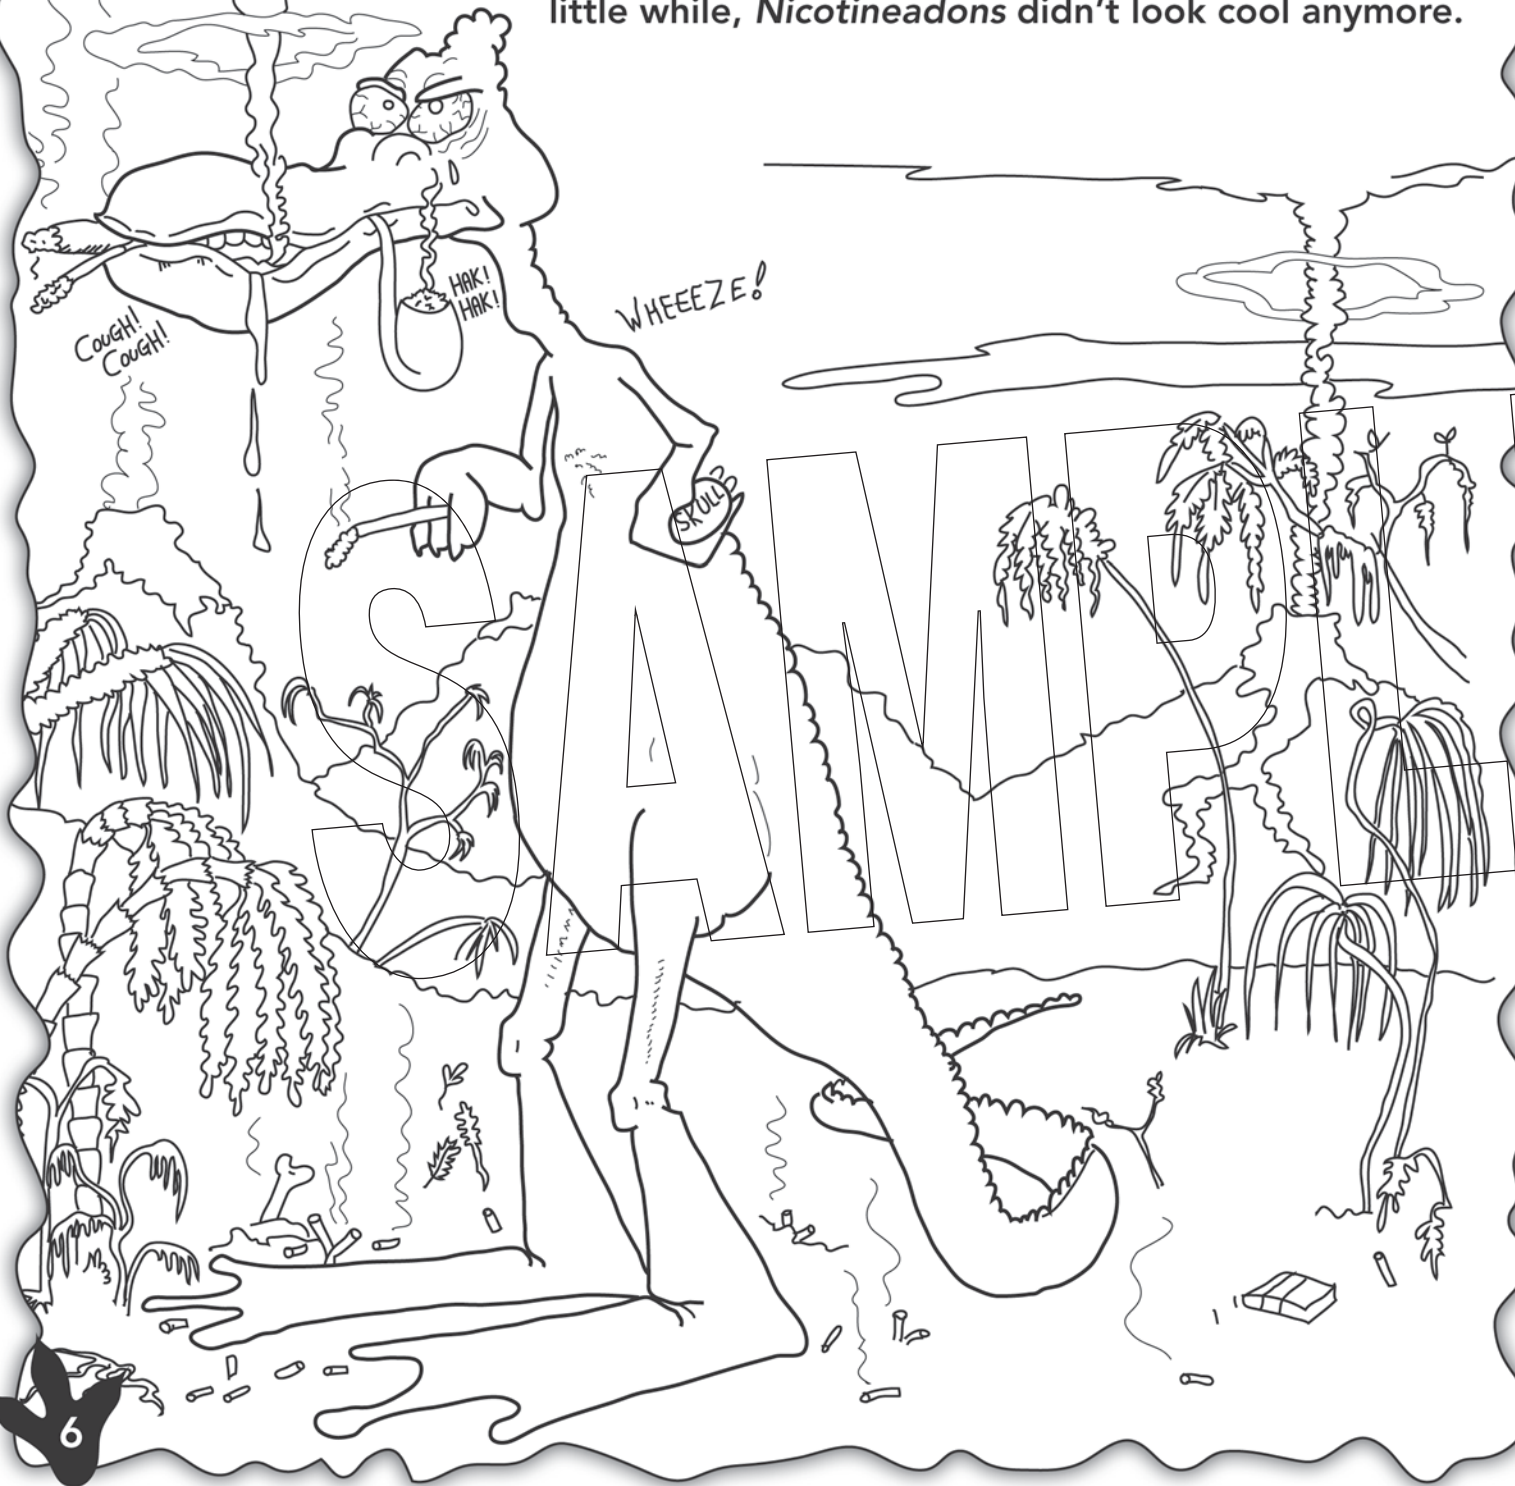

Scriptadon

The Scriptadon usually eats plants. But this Scriptadon took drugs without his parents' permission. The Scriptadon got very sick!

Nicotineadon

Nicotineadons thought tobacco was cool. So Nicotineadons smoked and chewed tobacco. In a little while, Nicotineadons didn't look cool anymore.

Fryranosaurus

Drugs can cause you to forget things and not do well in school. The Fryranosaurus' brain was wrecked by LSD, a bad drug.

Amphetidon

When you're running a race, speed can help you win. But "speed" is also the name of a bad drug. If you take this speed, you can never win.

Boozitupicus

The *Boozitupicus* thought it would be fun to try alcohol. He learned that alcohol will make you very sick.

Steroidopterus

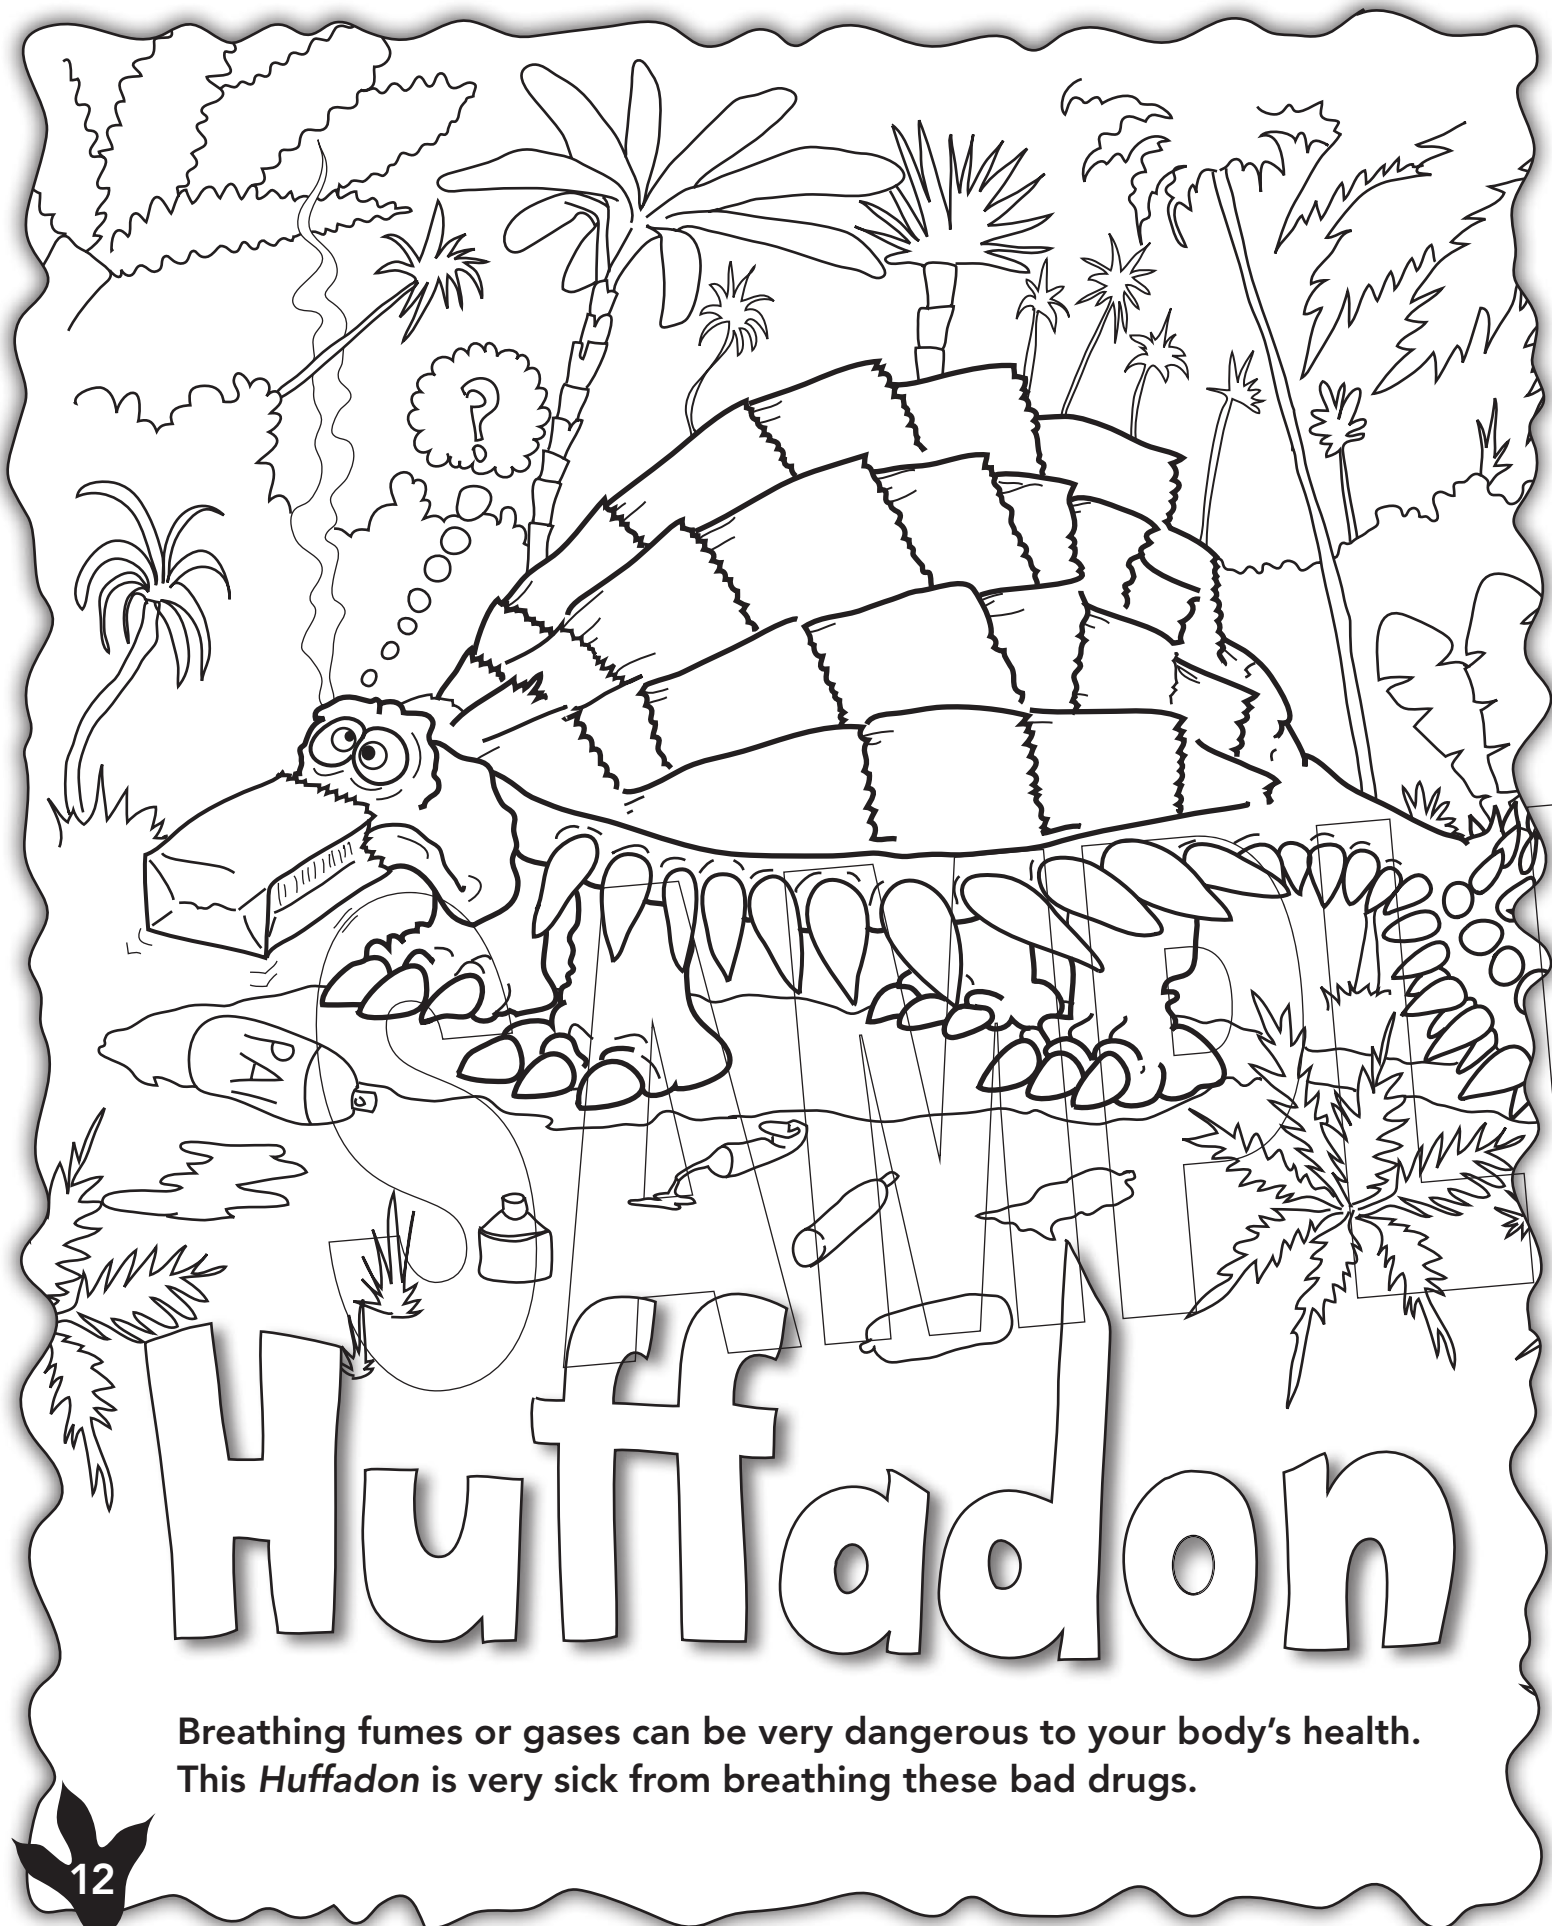

The *Steroidopterus* wanted big muscles so he took bad drugs named steroids. The steroids made him mean and no one would play with him.

COUGH!
COUGH!

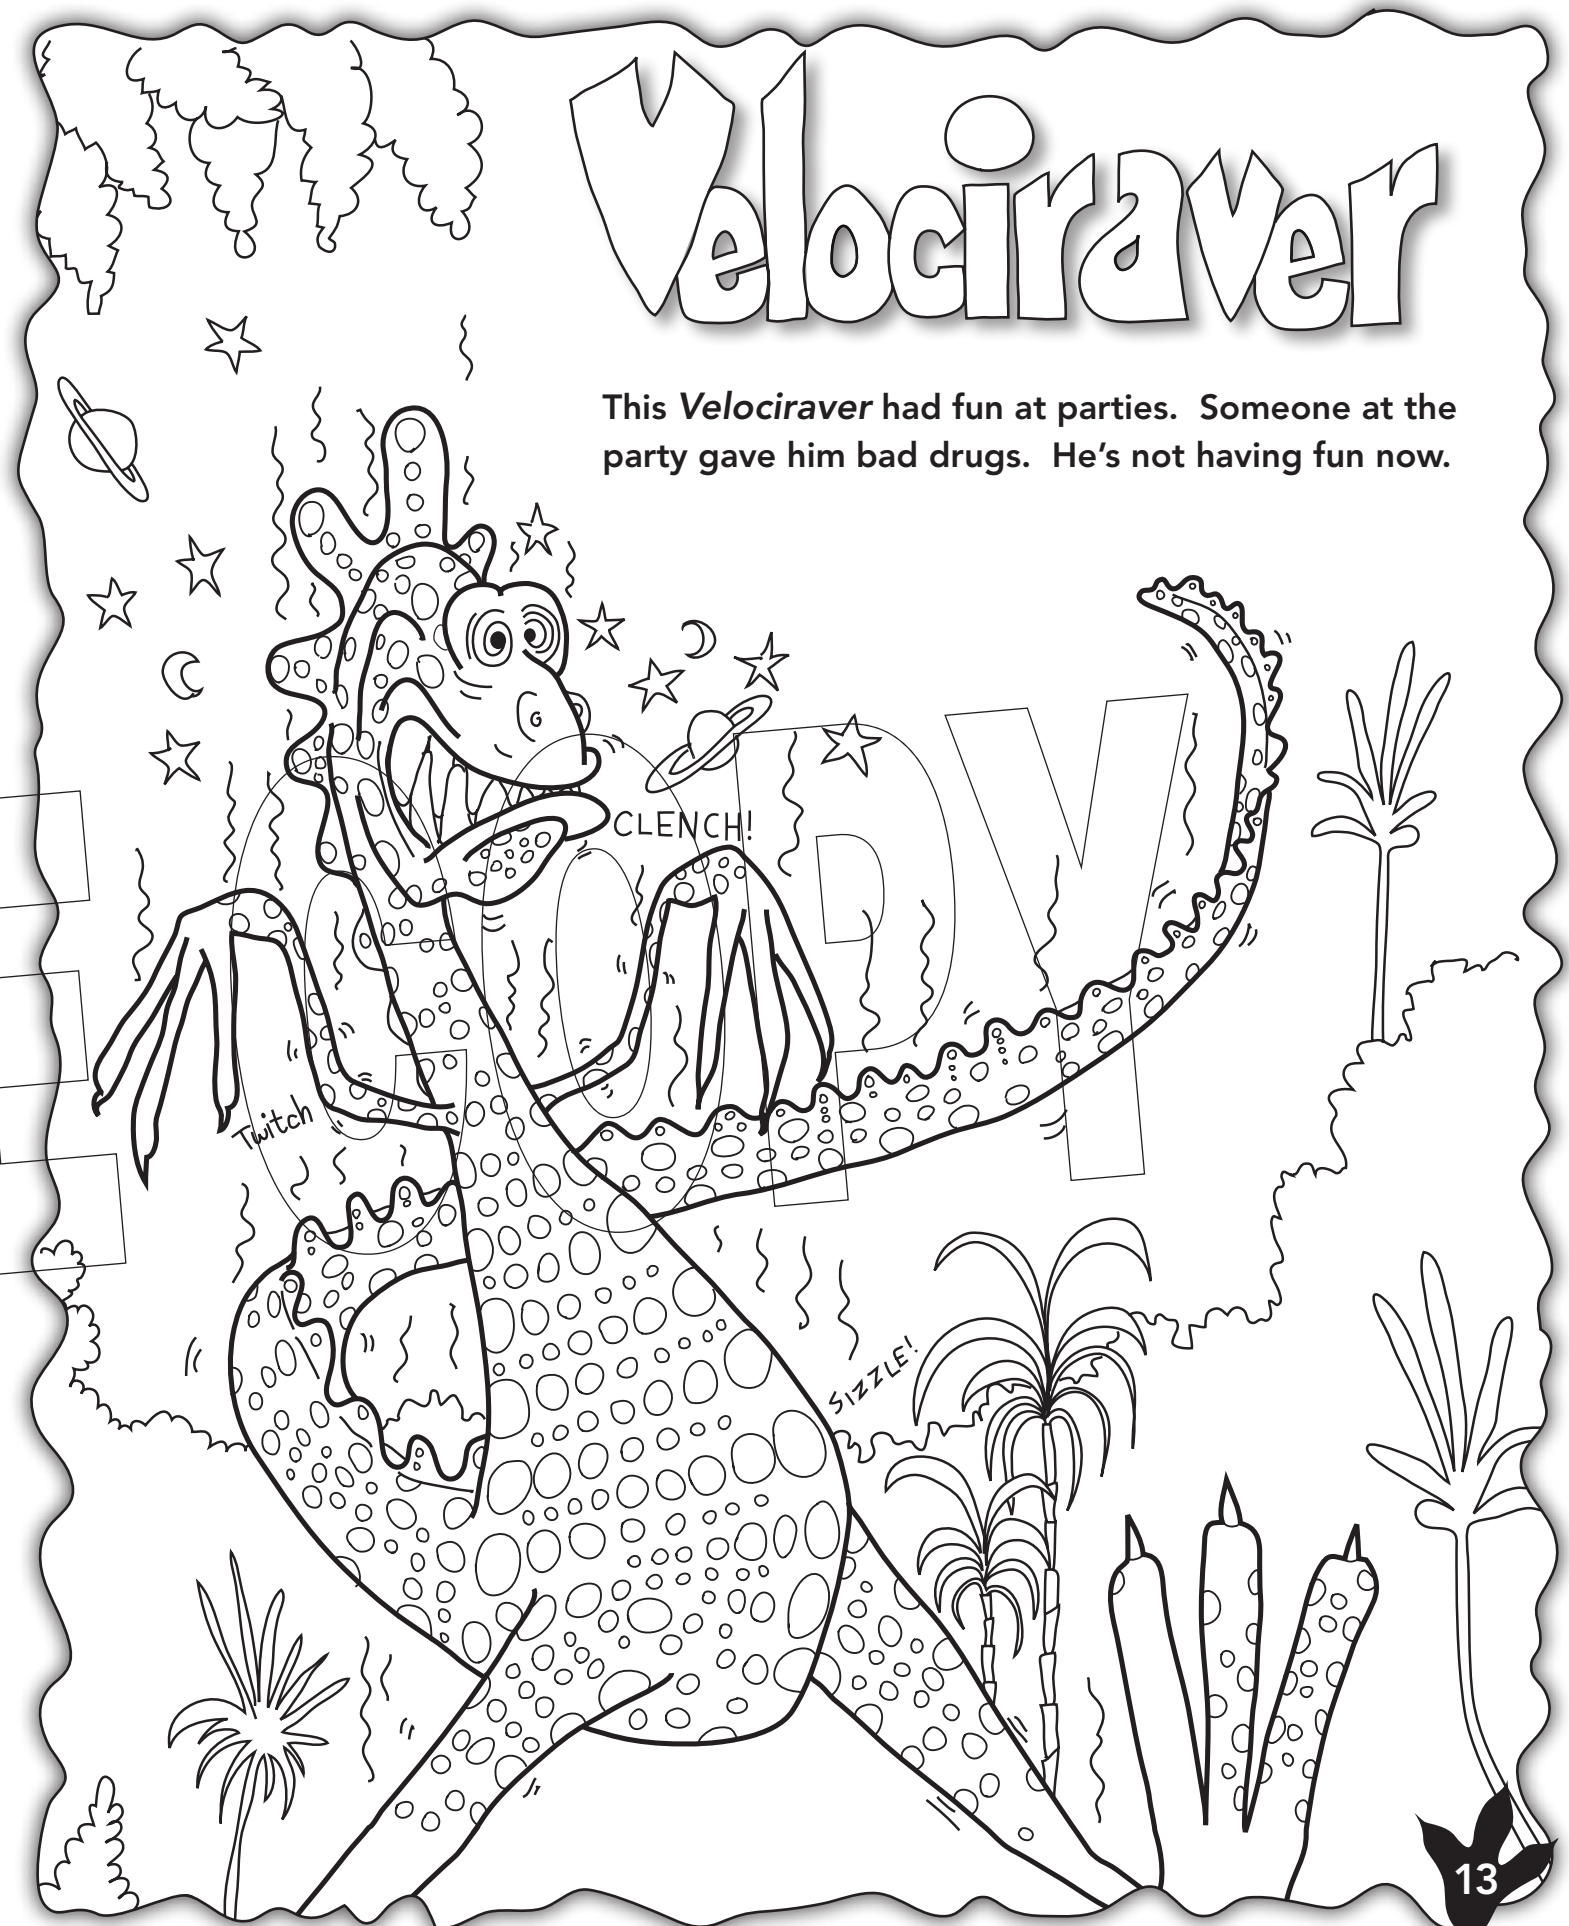

Cannabisaaur

The giant *Cannabisaaur* smoked marijuana. But marijuana hurts your lungs and brain. Now this *Cannabisaaur* knows that marijuana is a bad drug.

Huffadon

Breathing fumes or gases can be very dangerous to your body's health. This *Huffadon* is very sick from breathing these bad drugs.

Velociraver

This *Velociraver* had fun at parties. Someone at the party gave him bad drugs. He's not having fun now.

Draw a picture of yourself being happy, healthy, and drug free!
