4 Begin inserting the designated h-stakes into the designated art pieces.

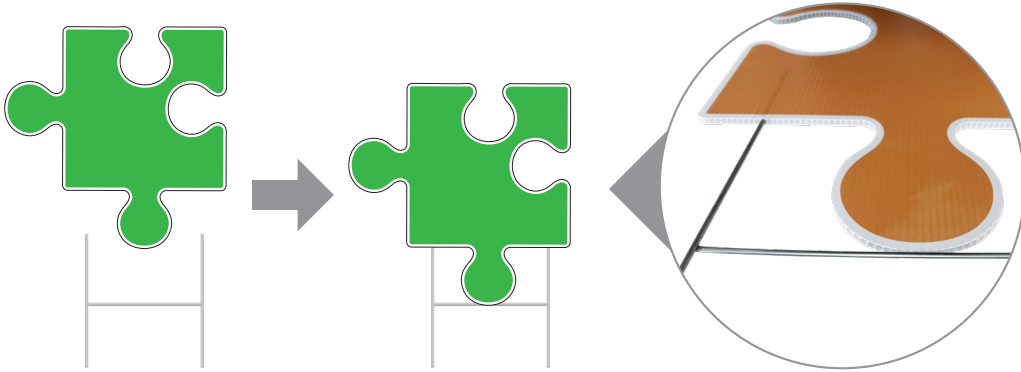

A Full-Size H-Stakes

- 1.) Align the art piece to be centered with the h-stake.
- 2.) Insert the h-stake prongs into the nearest flutes.
- 3.) Gently slide the prongs into the flutes until the bottom of the art piece meets the top crossbar on the h-stake.

B Half-Size H-Stakes

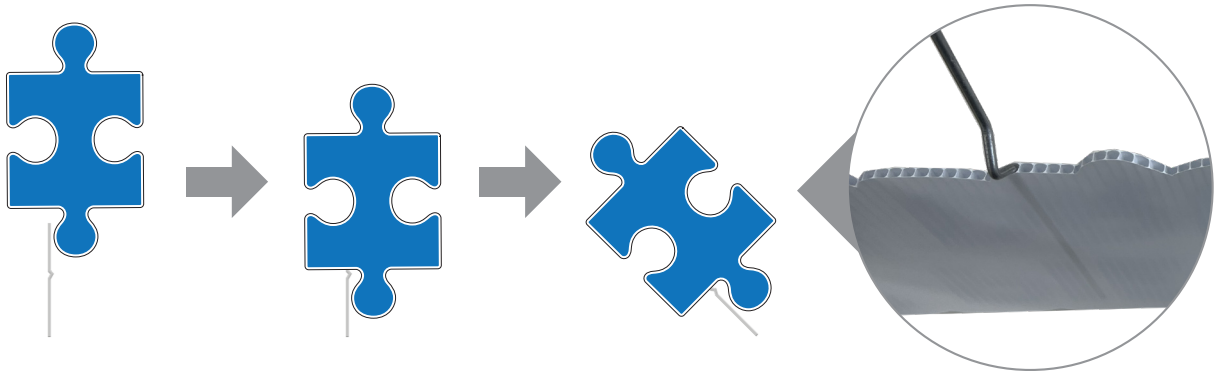

- 1.) Align the art piece to be centered with the h-stake.
- 2.) Insert the h-stake prongs into the nearest flutes.
- 3.) Gently slide the prongs into the flutes until the bottom of the art piece meets the top crossbar on the h-stake.

Single Rod H-Stakes

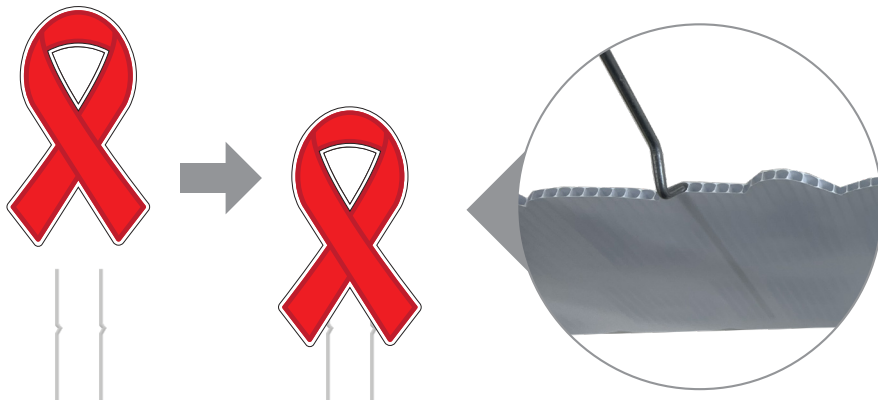

C One Rod

- 1.) Note that these h-stakes have a shorter and longer end divided by a bend in the rod. The shorter end will go into the art piece. The longer end will go into the ground.
- 2.) To create a tilted look, align the rod to either the left or right side of the art piece.
- 2.) Insert the rod into the nearest flute.
- 3.) Gently slide the rod into the flute until the bottom of the art piece meets the bend on the rod.
- 4.) Insert the rod and art piece into the ground at about a 45° angle.

D Two Rods

- 1.) Note that these h-stakes have a shorter and longer end divided by a bend in the rod. The shorter end will go into the art piece. The longer end will go into the ground.
- 2.) Align the art piece to be centered with the rods.
- 3.) Space the rods evenly apart for best stability.
- 4.) Insert the rods into the nearest flutes.
- 5.) Gently slide the rods into the flutes until the bottom of the art piece meets the bend on the rod.

Banner Art Piece

- 1.) Ensure the "DRUG-FREE!" letter art pieces are installed and in the ground before starting this step.
- 2.) Note that these h-stakes have a shorter and longer end divided by a bend in the rod. The shorter ends will go into the banner art piece. The longer ends will go into the letter art pieces.
- 3.) Insert one rod into the right side of the 'U'.
- 4.) Insert one rod into the left side of the 'R'.
- 5.) Center and slide the banner art piece flutes into the rods.
